ABOUT

SERVICED APARTMENTS

Whether you call them extended stay properties, corporate housing, short-term rentals, or apart-hotels, serviced apartments offer the ideal blend of comfort and convenience. Perfect for short-term relocations or holiday getaways, they provide a flexible and welcoming alternative to traditional accommodation, tailored to meet your unique needs.

YOUR OWN KITCHEN

Having a fully equipped kitchen in your apartment not only helps you save on dining costs but also lets you prepare a home-cooked meal, making your stay even more enjoyable.

AT YOUR LEISURE

Traveling with children? Self-catering facilities are invaluable, letting you serve meals on your schedule. So, stock up the fridge with their favorite foods and snacks.

MORE SPACE

They typically provide nearly twice the space of a hotel room. Families especially love the extra bedrooms and living areas in our larger units for extended holiday stays.

VALUE FOR MONEY

Serviced apartments provide excellent value, often costing up to 25% less than a hotel. We also negotiate preferential rates on your behalf, and we regularly feature special offers.
